Fleeting flight sleeping woke

commissioned by Ensemble for New Music Tallinn funded by the Ernst von Siemens Musikstiftung

Andantino, molto rubato: freely flowing, linger on fermatas \breathmark 104

Flute

Clarinet

Soprano Sax

Trombone

Harmonium

Viola

Violin

Contrabass

Score in C

(Sounding pitch)

- accidentals indicate the “implied” pitches in rational tuning
- HEJI notation allowing for a small range of tolerance
- con sord.
- gently colour but do not completely cover the harmonium sound
- amplified (gently) to balance with the other instruments and remain clearly audible
